Building more than houses...

From this

To this

The Niall Mellon Township Trust is the largest charity provider of quality social housing in South Africa. We provide families living in shacks with a home. Since 2002 we have housed 80,000 people, our aim for 2011 is to make it 100,000 people.

Help build a home for a child today by supporting this event.

Volunteer Today and sign up for our one week Building Blitz at www.nmtownshiptrust.com and together we can make a real difference!
