Sky's the limit for air ace Ian

■ TODAY FM DJ Ian Dempsey was off to a flying start yesterday as he was given clearance to launch the **Pilots Township Run** with some flying aces from Aer Lingus.

■ The charity run is being organised by the airline's pilots to raise money for the Niall Mellon Township Trust in South Africa.

■ They hope that with popular motormouth Ian on board, the sponsored run will really take off.

■ The run is starting on September 6 at the Giant's Causeway, Co Antrim and will finish on September 12 at Mizen Head in Co Cork, with each participant being asked to run a leg of 10 miles.
